**THANKS VOLUNTEERS!**

We were very fortunate to have such a great bunch of volunteers to help with the yard sale 17-18 June. Kathy and I hope we thanked each of you personally at some point. It would be impossible for this event to take place without your hard work. We would also like to thank Brothers Dave Benoit, Mike Coiner, Preston Coiner, L.F. Wood and his son Mark for donating storage space. Thanks again everybody.

**Farmer's Market**

**Please do not leave vehicles parked in the North Parking Lot, the one closest to Elk Drive on Friday and Monday Nights.**

The North lot is reserved for our market on Tuesdays and Saturdays. Ellis Frazier and Kathy Hicks are coordinating the Market and would love to have a couple of teams to help them with this fund raiser. It takes about 3-4 people to set up and monitor each market.

If you would consider donating 4-5 hours once or twice a month to help with this project, please contact

Kathy Hicks 434-974-1950 or Ellis Frazier 434-531-1228

From the Desk of the Exalted Ruler:

Hello 389 Elks, and greetings from here in Phoenix Arizona! It has been said that distance makes the heart grow fonder, and let me tell you that is so true! I have enjoyed this week at the National convention, but nothing compares to home. This is my first National convention and I have learned quite a bit and have made some friends that I will never forget. On a serious note is all of the resolutions for the future of Elkdom. I have had countless discussions with fellow Elks here. Some had the same thoughts and opinions as we do at the wonderful 389, and others who had completely different ideas. I equally respected both views. We casted our votes and have already gotten the results. I think that the outcome shows that we want change and we all want membership to grow. Case and point is resolution 2011-03 passed that allows the lodge to post new candidates in the lodge prior to voting. We also have the option in our lodge to reward members for recruiting and retaining members. Resolution 2011-09 passed that replaces subordinate lodge with the new term Local Lodge. This is not a big deal but I think it shows that we are willing to accept change, even if it is a baby step it is a step in the right direction. Another great thing is that resolution 2011-16 the renaming of Grand Lodge Officers was shot down.

This has been one of the uttermost trips of my life, and I have been so lucky that my beautiful wife was here to share it with. Now they say its a dry heat, but I am sorry 112\* is HOT no matter the humidity level. The best way to explain it is you are walking around with a Giant hairdryer blowing on you. I can also so at 37 years old I can still experience new things, like Dust Storms!! WOW is all I can sat to that.

I am glad to report that the Corn Hole boards are almost done and we will have our first tournament very soon. If you have never played this wonderful game before I welcome you to come and try it out. I will warn you though, this is a very fun and addictive game for all ages. We also have another new event this month on the weekend of August 12-14 we will have our first Annual 389 Camping weekend with a chili cook off. I will posting flyers and entry forms around the lodge with all of the details. So bring your tent or camper and join us for a weekend of fun like only the 389 can put on.

"So here is to your good health old friends, May you live for a thousand years, and I be there to count them!"

Fraternally,, Caleb Hall Exalted Ruler

## ***Virginia Elks Youth Camp***

***By Michael Haynes, President***

**The Youth Camp meeting at the Virginia Elks Convention went really well. Although we had some Executive Committee Members and Staff Personnel absent we did a good job of making our reports, giving those present an update on the happenings at the camp and other items I will mention below. Those present at the meeting were Michael Haynes, President; 1st Vice President, Jay Bonnell; 3rd Vice President, Georgianna Knotts; Treasurer, John Cannon; Director of Maintenance, Buster Shaner and Ways and Means Chair, Tim Frank. Missing were 2nd Vice President, Yvonne Hall; Secretary, Bob Ward; Director of Camping, Susie Kelly and Camp Ranger, Mike Journell.**

**Our Secretary's wife, Rose Ward recently had a hip replacement and then fell breaking her leg on the same side; needless to say Bob being Roses care giver could not attend. Susie was still in school, she is a teacher, and of course Mike our Camp Ranger was at camp attending to the last minute details prior to opening the camp.**

**At the meeting, we, the Executive Committee honored one of ours, Dave Benoit. Dave, a Past President of the Camp, has done so much to help the camp during our construction these past months. We presented Dave with a plaque engraved with "To Past Camp President David Benoit — In appreciation for his outstanding service and dedication to the Virginia Elks Youth Camp — Executive Committee June 10, 2011." Dave has been in charge of or helped in the following endeavors: The construction of our new Riverfront Storage Building, the remodeling of our newly completed Kitchen floor — this included, removing and reinstalling the half serving line wall so equipment could be removed and returned to the kitchen after the floor was installed; was responsible for all the work the Charlottesville Lodge did at the camp the weekend they were there, the work on the main electrical breaker box, the painting of a new Elks Emblem over the fireplace in the Dining Hall, the repair of the basketball goals, the work on the lodges cabin, falling trees, cutting up trees that had fallen and the Retirement of Flags Ceremony. There were others that I do not know of or have forgotten but it goes unsaid that Dave has gone beyond all expectations of work that any one man can get done in one off season at the Camp. Thank you again Dave.**

**Also at the meeting in my comments to the rather large gathering I stressed what we need most at the camp from all lodges from around the state and that is CAMPERS. Our Virginia Elks Youth Camp is ready for campers; we now need for each and every Elks Lodge to send campers. Let us, Virginia Elks, help the Youth Camp in what we need most at this time of the year and that is CAMPERS. Elks from around the state have put the cabins in order, we have a newly remodeled kitchen, new sinks and counter tops in both bath houses, the camp is in ship shape condition and we are ready for youth campers. It is now time for all Elks Lodges to do their jobs and send campers.**

**All we do is for the kids.**

# DOE CLUB NEWS

## PRESIDENT'S MESSAGE:

Dear Doe Sisters,

Events continue to happen with the Doe Club. I would personally like to thank everyone who volunteered their time and/or donated food for the Flag Day Ceremony. The decorations were beautiful, the food was good and it was a very nice day.

I would also like to thank all of the folks who helped with the Yard Sale on June 17<sup>th</sup> and 18<sup>th</sup>. It takes a lot of hard work and dedication to put this event together and we certainly appreciate the help we received. The Yard Sale was a big success. The Does are in need of a new chair person for this event as Kathy Hicks will be stepping down from this position. If you are interested in becoming our chair person, please contact either Kathy Hicks or me and we will be happy to let you know what this position entails.

Our Farmer's Market is building every week, with new vendors and lots of fresh vegetables. Come down and join us on Tuesdays 3:00 – 7:00 pm and Saturday 8:00 am – 1:00 pm. Volunteers, as well as vendors are needed.

I hope to see you all at our next meeting on Thursday, August 4<sup>th</sup>, 2011.

Kaye Frazier-Campbell
