Cash Flow Machine:

The Trustees have been considering a cash flow machine for the Lodge so members could obtain cash without cashing checks in the canteen. There has been an offer by a member to provide the machine. The Lodge will provide the money for the machine. The fees will at this time go to the member who provides the machine. There will be no cost to the Lodge. This is on a trial basis and if this is a possible profit maker then the Lodge can consider purchasing the machine.

Farmers Market

The Does and Elks are pursuing the idea of a Farmer Market in the upper end of the Lodge Parking Lot during the growing season on Saturday Mornings and Tuesday evenings. The Lodge approved this venture at the last meeting and authorized the Trustees to work with the Doe Club to get this venture underway. The Special Use Permit is pending from the County. More details as they become available. This was discussed in detail at the February 17, 2011 meeting.
